The Cumberland County Planning and Inspections Department in coordination with Town of Hope Mills Planning staff facilitated the official kickoff of the Hope Mills Area Land Use Plan on October 28, 2025. The plan is a vital piece to the future growth and development of Hope Mills. Please stay tuned to the official dedicated website for more information on upcoming community engagement opportunities.

The Elevate Hope Mills has officially concluded with a graduation of the entrepreneurs as well as a visit from the Secretary of State Elaine Marshall. Business owners, innovators, and leaders came together through this endeavor to make an impact in our community while elevating local businesses in our region. This was not an event, this was an experience built for dreamers and difference makers.

**HOPE MILLS
